Use Google's translate feature to translate this into English. Shakuhachi master Shin Kanzen N3 pdf 540 This is the most complete collection of the essential technical teachings on how to perform on shakuhachi. There are also some more general pieces of advice for playing music, and pieces of wisdom about life. The book is part one of a two volume set. Briefly describe what this book covers in relation to shakuhachi. What is the intended audience? Who can benefit from reading it? Shakuhachi master Shin Kanzen N3 pdf 540 Listen to music and play shakuhachi People who want to learn how to play shakuhachi and listen to and play music. See above. The book contains: He does not teach the traditional ways of playing the instrument, but how he learned to play it. He makes mention of having learned from his uncle and grandfather, but we do not learn what they taught him as they are no longer alive. The book consists of a number of short chapters with a title and then text. It doesn't have many pictures, but it has a few. The font size is very small, so steps from the pictures are difficult to read. I think this is a great book. I hope to one day be as good as Kensei Jyuzaemon Shigeru, the late shakuhachi master from whom this book came. I hope many others can enjoy learning from this book as much as I have in the past year and will in the future. A Note about the English translation: The author of this book is Japanese. There are many aspects of Japanese culture that cannot be translated faithfully in English. I hope you appreciate the effort I made to translate what I could, and do not take offense with what I could not translate. There are very few books about shakuhachi in English. There are even fewer good ones, so if you have found this book, you have found a treasure. The collection contains various training methods to get started with this instrument, including honkyoku pieces by Goro Yamaguchi, Renyu Honkyoku, etc...as well as fingering techniques for all of the 22 basic notes...
